SPECIAL CONDITIONS

2.21 COUNTY USER ACCESS PROGRAM (UAP):

User Access Fee

Pursuant to Miami-Dade County Budget Ordinance No. 03-192, this contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this contract, or any contract resulting from this solicitation and the utilization of the County contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. This fee applies to all contract usage whether by County Departments or by any other governmental, quasigovernmental or not-for-profit entity. The vendor providing goods or services under this contract shall invoice the contract price and shall accept as payment thereof the contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice. The County shall retain the 2% UAP for use by the County to help defray the cost of the procurement program. Vendor participation in this invoice reduction portion of the UAP is mandatory.

Joint Purchase

Only those entities that have been approved by the County for participation in the County's Joint Purchase and Entity Revenue Sharing Agreement are eligible to utilize or receive Miami-Dade County contract pricing and terms and conditions. The County will provide to the approved entities a UAP Participant Validation Number. The vendor must obtain the participation number from the entity prior to filling any order placed pursuant to this section. Vendor participation in this joint purchase portion of the UAP, however, is voluntary. The vendor shall notify the ordering entity, in writing, within 3 work days of receipt of an order, of a decision to decline the order. For all ordering entities located outside the geographical boundaries of Miami-Dade County, the successful vendor shall be entitled to ship goods on an "FOB Destination, Prepaid and Charged Back" basis. This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods. Miami-Dade County shall have no liability to the vendor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the vendor and shall be paid by the ordering entity less the 2% UAP.

Vendor Compliance

If a vendor fails to comply with this section, that vendor may be considered in default by Miami-Dade County in accordance with Section 1, Paragraph 1.23 of this contract solicitation and the resulting contract.

2.22 ADDITIONAL FACILITIES MAY BE ADDED:

Although this solicitation and resultant contract identifies specific facilities to be serviced, it is hereby agreed and understood that any County department or agency facility may be added to this contract at the option of the County. When required by the pricing structure of the contract, vendor(s) under this contract shall be invited to submit price quotes for these additional facilities. If these quotes are determined to be fair and reasonable, then the additional work will be awarded to the current contract vendor(s) that offers the lowest

SECTION 2
SPECIAL CONDITIONS

acceptable pricing. If this contract has a single incumbent vendor, the additional site(s) shall be added to this contract by formal modification of the award sheet. If there are multiple incumbent vendors under this contract, and the additional effort is to be assigned to only one of these vendors, a separate release order will be issued.

The County may determine to obtain price quotes for the additional facilities from other vendors in the event that fair and reasonable pricing is not obtained from the current contract vendors, or for other reasons at the County's discretion.

2.23 DELETION OF FACILITIES:

Although this solicitation identifies specific facilities to be serviced, it is hereby agreed and understood that any County department or agency may delete service for any facility (ies) when such service is no longer required during the contract period; upon fourteen (14) calendar days written notice to the vendor.

2.24 EQUIPMENT SHALL BE MOST RECENT MODEL AVAILABLE:

The equipment being offered by the vendor shall be the most recent model available. The successful vendor must agree to furnish, install and service canned beverage vending machines used to dispense the purchased products at no charge to the County during the contract period. This includes ensuring that vending machines are properly serviced and that repairs are made immediately in order to maintain machines operable at all times. If a machine is deemed unsuitable or is in frequent disrepair, the vendor must replace said machine at the County's option. Any optional components which are required in accordance with the contract specifications shall be considered standard equipment for purposes of this solicitation. Demonstrator models will not be accepted. Omission of any essential detail from these specifications does not relieve the vendor from furnishing a complete unit. The unit shall conform to all applicable OSHA, State, and Federal safety requirements. All components (whether primary or similar) of the delivered equipment are to be in accordance with current SAE standards and recommended practices. The engineering, materials, and workmanship associated with effort performed hereunder shall exhibit a high level of quality and appearance consistent with or exceeding industry standards.

2.25 FURNISH AND SET IN PLACE REQUIREMENTS:

The vendor shall also be required to provide adequate training to County personnel on the appropriate use of the materials or products if necessary.

SECTION 2
SPECIAL CONDITIONS

2.26 LICENSES, PERMITS AND FEES:

The vendor shall obtain and pay for all licenses, permits and inspection fees required for this project; and shall comply with all laws, ordinances, regulations and building code requirements applicable to the work contemplated herein. **2.27 PURCHASE OF OTHER ITEMS NOT LISTED WITHIN THIS SOLICITATION
BASED ON PRICE QUOTES:**

While the County has listed all major items within this solicitation which are utilized by County departments in conjunction with their operations, there may be similar items that must be purchased by the County during the term of this contract. Under these circumstances, a County representative will contact the incumbent vendor to obtain a price quote for the similar items. If there are multiple vendors on the contract, the County representative may also obtain price quotes from these vendors. The County reserves the right to award these similar items to the contract vendor, another contract vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.

2.28 STOCK LEVELS SHALL BE MAINTAINED BY BIDDER:

The successful bidder(s) shall ensure that adequate stock levels are maintained at its place of business in order to assure the County of prompt delivery. If the delivery terms specified in the Solicitation are not fulfilled by the Bidder, the County reserves the right to cancel the order, purchase the goods elsewhere, and charge the Bidder for any reprourement costs incurred by the County.

**2.29 "EQUAL" PRODUCT CANNOT BE CONSIDERED: QUALIFIED
PRODUCTS LIST**

The specific items listed in this solicitation are the only products that will be accepted under this solicitation because these items are formally approved/authorized by the County as documented on a Qualified Products List. Vendors desiring to submit comparative products for these items for inclusion on an approved Qualified Products List for future solicitations should submit samples to Marie Valenti at 275 NW 2nd Avenue 33128, 305-755-7882. After testing, if the product is deemed acceptable, it will be included in the specifications and/or qualified products list on the next available solicitation.
